

Entegris Supplier Sustainability Expectations

Element	Statement
EHS and Sustainability	<p>All Suppliers to Entegris are expected to align with Entegris’ commitment to adopt social, environmental, and health & safety standards/codes that minimize risk, support economic stability and promote responsible use of natural resources.</p> <p>Note: Entegris seeks to achieve corporate social responsibility and sustainability by creating value responsibly. Entegris balances the demands of doing business with the need to protect the environment and its resources and to ensure the health & safety of its employees, customers, and the communities in which they live and work. Supplier will work to certify their business management system to the requirements of Environment ISO 14001 and Safety ISO 45001.</p> <p>LINK to Supplier Portal: Microsoft Word - Sustainable Supply Chain Policy Letter (entegris.com)</p>
Sub-Supplier Management	<p>Entegris expects our suppliers to also have a defined qualification protocol for their own suppliers. Supplier qualification protocol includes quality, cost, capacity, environmental-social governance, and performance criteria.</p>
RBA and Regulation Compliance	<p>Entegris supports the Responsible Business Alliance (RBA) Code and is committed to uphold the human rights of workers, protect the environment, preserve worker safety and conduct business ethically and responsibly. Suppliers who work with Entegris are expected to do the same and acknowledge their adherence to the RBA code of conduct.</p> <p>Please refer to Supplier RBA Commitment Letter for more details within the Supplier Onboarding package.</p> <p>LINK to Supplier Portal: RBACodeofConduct7.0_English.pdf (responsiblebusiness.org)</p>
Ethics Reporting (Whistle Blowing)	<p>This policy provides the appropriate channels and processes to the suppliers of Entegris to escalate and notify the top management of Entegris of any suspected wrong-doing (whistle blowing) of an Entegris employee.</p> <p>Please refer to Entegris Supplier Ethics Reporting Policy for more details.</p> <p>LINK to Supplier Portal: Microsoft Word - Supplier Whistle Blowing Letter a.docx (entegris.com)</p>
Materials Declaration Policy	<p>Entegris is actively reviewing its products for compliance and conformance with governmental and customer requirements affecting raw materials and substances that may be used in manufacturing processes. All sourced materials have legal requirements for reporting and possible restrictions. It is critical that suppliers provide material conformance statements to support the reporting requirements.</p> <p>Please refer to Entegris Materials Declaration Policy for more information within the Supplier Onboarding package.</p>
